Conditions of the participation	It is an open, friendly tournament - anybody can take part in - members of the social institutions, civic organizations, public institutions, companies, individuals, men, women, children, adults, seniors. At least one of the players in the team has to be handicapped.					
Basic regulations	Players are sitting during a game, they are playing with the organizer's balls or their own, under BISFed rules of boccia if it is not modified by the organizer. If the players don't have any previous experience with the boccia they will be introduced in the game at the beginning of the tournament.					
Playing system	The teams are distributed by lots into 3-member groups. In the group every team play against the others. 14 teams pass to the final part - from the 1. and 2. place of each group. After games in the groups a system of spider is used for the final matches.					
Accompanying program	Cultural program, Presentation of boccia equipment					

General appointments

1. Every boccia player must respect the rules of boccia.
2. An organizer reserves the privilege to make changes in the tournament proposals in its beginning after a consultation with the head arbiter.
